## WELCOM TO **MY PORTFOLIO**

My name is Muhammad Bilal. I am a graphic

Asalam O Alaikum,

and multimedia designer. I am a graphic and multimedia instructor and I also create social media posts and videos for "Global Computer Institute" since 2021. I have also done projects for other clients as a graphic designer If you are looking for a graphic designer with fresh ideas, fast-paced adaptability, superb communication skills, and a real passion for

bringing visual concepts to life, then you are in the right place...
